

<p>Investigation stations</p> <p>Investigating fingerprints Secret codes</p> <p>Magnet investigations - can you make your superhero fly?</p> <p>Super senses investigations</p> <p>3D shape investigations – build a superhero vehicle</p> <p>Superhero challenges – can you build the tallest tower, longest bridge, strongest web etc</p>	<p>For the second half of Spring term, our theme will be Superheroes. We will be learning about Superheroes real and fictional, through stories such as “Supertato” and through learning about different “superhero” jobs, where people work to help others.</p> <p>We can learn how we can take care and responsibility for our own bodies to keep ourselves superhero –level fit and healthy.</p> <p>We will also explore how we can all be Superheroes and help to save the planet by choices that we make and by recycling responsibly</p>	<p>Questions to ask</p> <p>What is a superhero? What powers would you have if you could be a superhero? Do you know any superheroes? Who are real life superheroes? Can you think of any superhero jobs?</p> 
<p>Wow words</p> <p>Super hero, super power, strengths, weaknesses, character; Courage, bravery, kindness, compassion, humour, love, gentle, supportive, persistent, resilient, independence; Jobs, career, vocation, titles of different professions; Healthy, strong, nutrition, balanced diet, clean;</p>	<p>Facts and Knowledge</p> <p>There are lots of “families” of superheroes, such as The Avengers, The X-Men, the Fantastic Four and the Justice League.</p> <p>The Hulk was meant to be grey, not green</p> <p>Captain Sir Tom Moore raised over £33 million pounds for the NHS just by walking laps of his garden!</p>	<p>Stories and songs</p> <p>Supertato Superworm</p> <p>Michael Recycle Litterbug Doug Nat Fantastic</p> <p>A Superhero like you!</p>

Environment, recycling, pollution, rubbish, litter, plastic pollution.
