**OUR
VISION**

At the Trentside Federation, building a 'community of hope' underpins our vision. Hope and resilience are at the heart of everyone's learning, encouraging our capacity for reflective thought.

We aim to empower everyone through their learning and relationships, so that all can be 'agents of positive change', for ourselves, our schools, our local community and the wider world.

We value everyone as they are. Everyone matters in their uniqueness and everyone is valued.

Agents of Positive Change

To be an agent of positive change in our community, the school would like to support the Isle of Axholme Foodshare Project.

This Community Pantry helps support 70 families every week.

On the **first Thursday of every month**, the school will be a collection point for donations. If you would like to make a donation, you can either hand in at class or there will be a donation basket at reception. If the school is on holiday on that date, we have provided an alternative date, please see the list of dates below.

Community Pantry

We are happy to accept referrals from anyone. Feel free to ask for a food parcel yourself or just pop along to the Community Pantry on a Friday morning 9.30am-11:30am at Haxey Youth Hub.

Come along and help yourself to any food that is available. There are no questions asked, no forms to fill in and no supporting documents needed. All that we ask is that you do not take more food than you need.

If you can't make it on a Friday morning we can arrange to open at other times. We can also arrange to deliver food parcels to members of our community if needed.

There is no limit to the number of visits to the Community Pantry that can be made, or the number of parcels received. Support can continue for as long as it is needed.
