

Science

We wonder, we question, we discover.

Curriculum Intent

We explore the world around us, asking questions and investigating how things work.

We develop skills in observing, experimenting, and thinking critically, building resilience when things don't go as planned.

We encourage curiosity, confidence, and hope, ready to care for the world and contribute to our community.

Vision

Developing hope & resilience • Building a community of aspiration

Inspired by the love & teachings of Jesus Christ to be the best that we can be

Values

Hope

Love
